Holiday closings
impact trash schedule

MURFREESBORO -- The South Pike County Collector’s Office will be closed Thursday and Friday, November 23-24, in observance of the Thanksgiving holiday.
The sanitation route for the City of Murfreesboro during the week of November 20-24 is as follows:
• Monday’s and Tuesday’s normal pickup will be on Monday, November 20.
• Wednesday’s and Thursday’s normal pickup will be on Tuesday, November 21.
• Friday’s normal pickup will be on Thursday, November 23.
• Saturday’s pickup will be on Friday, November 24.

The Pike County Courthouse will also be closed on November 23-24, and the schedule will be adjusted as follows:
• Monday–Wednesday’s normal pickup will be on Monday, November 20.
• Thursday’s normal pickup will occur on Monday, November 27.
• Friday’s normal pickup will be on Monday, November 27.

Local residents who wish to participate in the gift giving process may contact Angie Fabian and Sarnia Minton present for the vote.

In other business last week, the board voted 6-0 to give all full-time school employees a $500 Christmas bonus.

In a related vote, the board approved Conly’s motion to pull $30,000 from the district’s building fund and added to the CD. The building fund currently has a balance of approximately $560,000.
Local holiday celebrations set for upcoming weeks

MURFREESBORO — Local holiday festivities for south Pike County have been set, with some last minute details still to be ironed out. Fifty-one trees have been placed on the Pike County courthouse lawn and are available for anyone that has sponsored them.

According to Jane Fugitt of the Murfreesboro Chamber of Commerce, there are still a few leaves available for those that wish to sponsor or decorate them. The cost is $25 per tree and can be reserved at Murfreesboro City Hall.

Fugitt said that ornaments can be brought property to withstand fall storms, and that the trees be decorated for both day and night settings. Those who decorate trees are asked to simply leave the tree looking ready-accessible, as the chamber would provide costs for electrical access from the courthouse.

The 21st annual Reindeer Christmas parade in Arkville will be held on Sunday, November 26 at 2 p.m. and is open to participate, with the line-up starting at the Arkville Post office at 12:30 p.m. For more information call Ruby at (870) 279-2246.

On December 2, Murfreesboro will hold their annual Homecoming Christmas on the Square featuring the annual Christmas parade. The morning will open with Breakfast with Santa, hosted by the Murfreesboro Rattler Booster Club. The event will take place from 9-11 a.m. at the Murfreesboro Senior Adult Center. The cost of the event is $5 and will feature an all-you-can-eat pancake breakfast, pictures with Santa and visitors will receive a gift, as well as treats for the kids.

For the pancake breakfast, children that attend First Christian Church Preschool, Danville AR, PK-7, 5K-9 in Murfreesboro, Delight High School or kindergarten in the South Pike County School District will be required to come in and find the special ornament they created. Those who line will begin at 11 a.m. at the Delight High School parking building and will travel north Washington Street back to the Pike County Courthouse, where there will be a raffle available for the children to visit. Carriage rides will be available for adults, while carriage rides for children will be available by the Murfreesboro Chamber of Commerce. Rules and fees for the event will be determined by the Chamber by November this week. Local talent will also perform on the stage during the festivities.

The public is invited and encouraged to participate in the parade, such as with floats, and there is no cost to do so. Lineup for the event will commence at 12:30 at Sun Printing. The Murfreesboro High School Marching Band and a Color Guard will also be included in the procession.

The annual Taste of Christmas, a Chamber fundraiser to benefit the Chambers on the Square and the South Pike County Chamber of Commerce will be held on December 7 at the Delight Municipal building’s community room. The cost of the event is $35 for food, the meal featuring ham, chicken and dressing as well as all the traditional holiday trimmings. The Delight Christmas parade is set for Saturday, December 9 at 2 p.m., and Santa will be available for the children for the following evenings.

The parade will begin at the old Sun Printing at 3:00 p.m. at Mc Knight’s Grocery.

The public is invited to participate in the parade to do so—floats, pets, horses, four-wheelers and antique cars and trucks— and contact Valarie Wingfield at (501) 766-0509.

Charges brought against man for stealing hydrocodone pills, lottery tickets and pajama pants from father’s residence

MURFREESBORO — Felony charges of residential burglary and possession of a controlled substance were filed Nov. 17 against an Uptown man accused of breaking into his father’s home. Christopher Garrett Stephens, 24, was arrested for allegedly breaking into the home of Kenneth Epply, Jr., and stealing prescription medication and scratch-off lottery tickets.

Stephens, who had not lived with Epply since Oct. 14, still had personal belongings in the home and that Epply had told him to come in, the father who found some of the items missing. The son also allegedly sent his father a message on Facebook apologizing for what he had done. Stephens, who is also charged with misdemeanor theft of property, confessed that he entered the home by removing an air-conditioning unit. Once inside he took some Batman pajama pants and 16 Hydrocodone pills. Stephens said he took eight of the pills while inside the residence and later traded them in to buy scratch-off lottery tickets at a Murfreesboro convenience store. Later that evening, Stephens said he took, the remaining eight pills

Stephens had been set at $2,000. He made a first appearance on the charges Nov. 17 and he was ordered to return to court Nov. 27 for formal arraignment.

WEST VIRGINIA MAN ARRESTED

Fenley and misdemeanor drug charges are expected to be filed this week against a 29-year-old West Virginia man arrested by the Murfreesboro Police Department.

State Trooper John Johnson was arrested Nov. 16 at the Terminus Access of the Little Missouri River by city officer David Shelby. Officer Shelby observed that Johnson and another person not identified in court records were preparing to camp at the access. When informed they could not camp there, Shelby noted an odor of marijuana coming from Johnson, who said he had smoked a joint.

The officer was given consent to search Johnson’s vehicle and more than four ounces of suspected marijuana was recovered along with three smoking devices.

Former jailer sentenced to probation for hindering apprehension of a fugitive

MURFREESBORO — The former Pike County jailer charged with felony hindering apprehension or prosecution involving a fugitive wanted out of Hempstead County has been fined and sentenced to probation.

Kersten Lyon, 22, of Murfreesboro, was arrested Sept. 7 at her Murfreesboro home on Dixon Circle along with McKenzie, 21, who was wanted out of Hempstead County as a suspect for vehicle and firearm thefts.

Lyon pleaded “Guilty” to charges to be the charge Nov. 13 in Pike County Circuit Court and was sentenced to five years of probation and fined $5,000 plus court costs.

Lyon had been employed at the Pike County Jail since Aug. 24, and was “a jail in training” up until her arrest. She is no longer employed by the county.

According to court information, Lyon was working at the jail in the early morning hours of Sept. 6 when McKenzie, who has an alias under her right eye, came to the jail in one of the vehicles she was arrested at, so the officer gave her a key to the home. Lyon went to the parking lot and talked to McKenzie for approximately 30 minutes and reportedly gave him a key to her truck. It was later that day that Lyon learned McKenzie was a wanted man, according to court minutes.

On Sept. 6, authorities tracked McKenzie to the Murfreesboro home. Since Lyon “made no effort to contact law enforcement” she was arrested along with McKenzie without incident. McKenzie was wanted out of Hempstead County for the theft of a 2013 Chevrolet Silverado from one residence and an AGC during a burglary of another home.

According to Hempstead County Sheriff James Singleton, McKenzie was a suspected methamphetamine user and was described as “armed and dangerous” in notices released August.

GLENSWOOD MAN SENTENCED

A 22-year-old man from Glenswood has been sentenced to 12 years in the Pike County Circuit Court on an amended charge of breaking or entering.

Tyler Travis, 22, was originally charged with residential burglary and theft of property pleaded guilty to the amended charge and was sentenced to three years of probation, 90 days in the Greenville Jail, and was ordered to pay $300 plus court costs.

Travis was charged as December 16 after he was caught in a home belonging to Susie Acosta. He reportedly sold prescription drugs from the home.

MURFREESBORO — The Murfreesboro Rattlers have reached the state tournament, and will find themselves in the semifinals as one of the top teams, which will get to see regionals, said head coach C.J. Spradlin. “I don’t think that’s something we can do.”

Spradlin said that there’s not a lack of athletic talent on the roster, it is simply a matter of the team “buying in.”

“It’s all about the little things, and if we can put together some consistency, we can get over the top in some of those games, from that standpoint, as we need to,” Spradlin said. “There are little things that we can control. There are some things we can’t play, apart from injuries, all of it.”

The Rattlers are particularly excited about the youth of sophomores, “said Spradlin of the youth included: Michael Hughes, Jamonte Green and Cody Nolen.

Michael Hughes, who has played a lot of time, but that his group of seven sophomores was a good group that would “lead the Rattler this season like the [major league] baseball.”

Spradlin said installing his new philosophy has been an intentionally slow process.

“You take it very slowly, putting in the base of what we are trying to do, and then start making the transition for those top three teams, an open competition, and we hope to be in the mix in Regionals,” said Spradlin.

According to Spradlin, the Rattlers have a lot to learn, “and they will get there, they will be there some time.”

Spradlin commented on his four seniors:

• Jamonte Green — “A very talented young man, has a lot to offer you want him on the floor, he’s not a guy that’s just going to handle, basketball, drive and attack the ball. He isn’t going to be [his] [major league] [minor league] [boxes]. He has great basketball building blocks.”

• Michael Hughes — “He has played a lot of minutes over the last couple years, has a sixth man as a sophomore and junior, he has a lot of game experience, has a very good shot, with a great motor and extremely, is a good kid and a guy that is going to fight and that mentality will be something that is good for the team.”

• Jamonte Green — “A very talented young man, does everything that you want him on the floor, he’s not a guy that’s just going to handle, basketball, drive and attack the ball. He isn’t going to be [his] [major league] [minor league] [boxes]. He has great basketball building blocks.”

• Cody Nolen — “A good shooter, with a range, a three-point shooter, has a good feel for the game, and of like that, our seniors, is a hunger to help.”

Overall, the coaching staff has the right mindset for the team’s goal last season and finished in the state semifinals last year, but they graduated their leading scorer.

‘We are an athletic team, and we can do it, if we work and pride ourselves in the little things, I think we’ll realistically be a top-10 team this year as the team’s leading scorer.

“We are a group of seniors, and they have a lot of game experience. He plays basketball build and high basketball IQ.”

Spradlin said that making a regional tournament is something that the Rattlers are looking forward to.

“We are an athletic team, and we can do it, if we work and pride ourselves in the little things, I think we’ll realistically be a top-10 team this year as the team’s leading scorer.”

We'll compete, yes, certainly, and get better. That is our peak, but it is a process and take time to get there.

Memorial service will be 3 p.m. Wednesday, November 22, 2017 at Caddo Ridge Funeral Home in Glenwood.

“It’s tough to replace,” said head coach Nicole Martin. As a team captain, Lainy Alexander’s shoes are big, but Martin knows she has the group that can do it.

She’s the team’s dominating force, as well as the team’s leader, and she’s working hard to be the best. She has all the tools we want from a senior, and we also know she’s the one we can count on to have a big impact on the game.

Her presence is felt on both ends of the court, as she can score points and control the tempo of the game. She’s the type of player who can step up with a big shot when we need it. And when we need to, and get it inside, we are currently doing it and "answered a lot of questions" about who her starting five would group of athletic sophomores could make for a powerful combination down the road, so it’s good to have options.

However, Martin admits that potential can be good or bad, depending on the team’s focus.

“We could have a really young team coming off of a district run-up last year, I feel like we could put it together as far as the district title goes,” Martin said.

Martin said the team made the regional tournament for the first time in 12 years, but that just led to more expectations for the current squad from within.

“Our goal is to have a winning attitude, as well as the kids moving up, are not vetted, and we can build on that,” said Martin. “We can’t finish right now.”

Martin said the team has a lot of energy, including freshmen Madison Humphry and junior Emma Davis who join Lainy Alexander and Wilcher, as "we just have to gain that experience and trust in our system."

"We could have a really good team, coming off of a district run-up last year, I feel like we could put it together as far as the district title goes,” Martin said.

"I feel like we can get in people’s face and press them, and we have the chance to do great things this year. It’s there if we want it, and hopefully we’ll be able to play our best this year."

"I’m very excited to play with this group of girls, because I think we have the group that can do it."

"She’ll be tough to replace," said head coach Nicole Martin. "Avi is a better shooter than her sister, and while Arianna was big in the paint, Avi can get it down for defense and rebounding."

MURFREESBORO – The City of Murfrees-
boro will plant a tree in remembrance of World War I veterans, and invites the public to attend the
event.
The ceremony will be held at 10:30 a.m. on,
December 7 at 204 East Main Street in the
Murfreesboro Municipal Building.

The WWI memorial tree has been made
available through a partnership of the Arkans-
as World War I Centennial Commemoration Com-
mitee (ARWWICCC) and the Arkansas Forestry
Commission.

Communities in Arkansas have been urged to
plant trees in 2017 and 2018 to remember
the 71,862 Arkansans who served during the
Great War, including the 2,813 who died while
in service. The ARWWICCC’s goal is to have a
memorial tree in each of Arkansas’s 75 counties by
the time the commemoration concludes at
the end of 2018.
To complete the effort, the Arkansas Forestry
Commission has provided two-year-old willow
trees for the project.

The Murfreesboro World War I Centennial Com-
memoration Committee has additionally pro-
vided a small bud-stock from the Museum-Army
National Cemetery in France to be added when
the tree is planted in Murfreesboro. The ceremony,
contains the largest number of American military
who perished in France as a part of the war ef-
fort, some 14,000 individuals.

All equipment and supplies for the program
will be included as an official WWI Site at http://
Immediately following the event, at 11 a.m.,
the Murfreesboro Chamber of Commerce will
host the annual “Taste of Christmas” lunch in
the community room of the Municipal Building.

DELIIGHT — Students of the Delight Cemetery. On
the following Monday, the 6th gradestudents removed
the flags. There are over 200 Vet-
eran graves in this cemetery.
Wilson Kesterson, a 4-H member from Delight, pre-
pared a program for the club. He, along with six other club
members, gathered information about the graves of veterans. Following
his program five veterans from
various one and branches of
the military told about their
experience. Between them, they
had over 80 years of ser-
vice to our country.

The highlight of this pro-
gram was the presentation of a
quilt to Hal Easley who was
made by 4-H girls from across
the county. Mr. Easley served 13
years in the Army. His military
career took him all over the
world. During this time he was
stationed in Fort Hood, Texas,
Germany, Korea, Thailand, and
ended his career in America at the
Fort. Taking trips dur-
ing his leave time, he visited 23
countries. In his youth
Easley was a member of a
school 4-H club in Delight. The
other four men have already
movedquilts from the Technical
Extension Homemakers Club
members.

SCOUTS DOING GOOD WORKS ... Local Lion Scout Pack #60 collected non-perishable food and donations at Cash Saver in Murfreesboro last Saturday morning during their “Scouting for Food” event. Pictured above is Issac Smith, Chase Dunlap, Elijah Fugitt, Corbin Hoover, Hunter Cooley, Gunner Cooley, and Austin Wright Benjamin. The group collected 1,030 lbs. of food, all of which will be donated to the First Christian Church of Murfreesboro.
